

## Highlights of JCSA Events and Activities

### **Santa Fe Drive April 8 – 10, 2026**

A three-day trip with 27 members driving to Santa Fe by way of Las Cruces. During the day people spent time shopping, visiting museums, visiting Taos, and going to the Ghost Ranch and the Puye Pueblo. A fabulous trip and fun time with club members.

## PRESIDENT'S BRUNCH

January 18, 2026

Many years ago, the Club started having a President's Brunch. It started with the club president grilling in a park. It then became a brunch at the Tanque Verde Ranch. This year I decided to move it to Loew's Ventana Canyon Grille. We had a group of 18 and everyone thought it was delicious with good service and a beautiful venue.

## 2025 HOLIDAY PARTY

The holiday party was held at the Arizona Inn on December 3. The silent auction and other donations raised over \$1,000 to present to the Flowing Wells School District automotive program.

## **Mt Lemmon “Beat the Heat” Drive**

**June 19, 2025**

Twenty-five intrepid Jaguar club members and guests braved the triple digit temperatures in Tucson to enjoy an hour’s drive to the top of Mt. Lemmon on June 19<sup>th</sup>. It was already over 100 degrees at Udahl Park where the group met at 10 AM prior to the drive. As they ascended to the 8500-foot summit, they enjoyed panoramic vistas of Tucson below, viewed the phenomenal rock formations that line the road, and saw their car thermometers dropping steadily to 86 degrees.

### **Sonoita/Elgin Wine Country**

**Wednesday, May 21, 2025**

On May 21 fourteen club members drove to the Sonoita/Elgin wine country – about an hour south of Tucson. The Sonoita Wine Region is Arizona’s first to have earned the American Viticultural Area (AVA) designation, thanks to its rolling hills and cooler temperatures. It boasts 20 wineries, of which we visited two: Autumn Sage and Deep Sky. We gathered for a late lunch at the Copper Brothel Brewery in Sonoita.

### **Sedona Drive**

**March 4 – 5, 2025**

Twelve members traveled the back roads to Sedona on March 4, staying two nights at the Hilton Vacation Club Ridge in Sedona, which was a wonderful location to visit the surrounding area. We stopped with our lunches at Lake Roosevelt, which is a pristine place located just northwest of Globe. We had a scenic drive through mountains with snow as we dropped down to Sedona’s altitude. On the second day, some drove the short way to Cottonwood, surprisingly passing many wineries along the way. A great trip all the way around!
